### **Werner Enterprises Named as One of Inbound Logistics Top 3PL Provider for Second Year**

OMAHA, Neb. – Werner Enterprises (NASDAQ: WERN) has been named as one of *Inbound Logistics* Top 100 3PL Providers for the second year in a row. The annual list recognizes Werner Enterprises for offering the diverse operational capabilities and experience that meets the s reader’s unique supply chain and logistics needs.

“Companies of all sizes rely on world-class logistics performance to stay competitive in today’s global economy,” Felicia Stratton, Editor of *Inbound Logistics* said. “Werner Enterprises provides the flexible, innovative supply chain solutions that companies large and small demand. They are responsive to customer needs, and offers strategic solutions designed to drive business process improvement and change,” Stratton said.

*Inbound Logistics*, a pioneering publication of demand-driven logistics practices, released the list in the July 2008 issue. The magazine received submissions from more than 300 companies. Werner Enterprises was selected for their list by evaluating information and surveys, conducting personal interviews and online research, and comparing that data reader’s global supply chain and logistics challenges.

“It’s a global world, and without the best-in-class supply chain solutions offered by Top 100 companies such as Werner Enterprises, business logistics professionals going global would face enormous difficulties. Inbound Logistics is proud to recognize Werner Enterprises as a 2008 Top 100 3PL, Stratton said.”

The Top 100 3PL Provider list is included in the July 2008 issue of *Inbound Logistics* and can also be found at <http://www.inboundlogistics.com/3pl/top100.shtml>.
