TOGETHER WE'RE STRONGER 1999-2024

MEXICO

Your Power Partner.

NAVIGATING MEXICO NEARSHORING WITH EASE

At **Werner**®, we're more than just a transportation provider—we're your trusted partner for seamless cross-border freight solutions. With more than 25 years of experience in Mexico, our tailored services, regulatory expertise and unwavering commitment to safety ensures your shipments move efficiently and securely across borders.

KEY ADVANTAGES OF WERNER'S MEXICO SOLUTIONS

MEXICO

TAILORED SOLUTIONS FOR YOUR UNIQUE NEEDS

- No one-size-fits-all approach. We create custom solutions that align with your specific needs, acting as an extension of your team.
- Our adaptable multi-modal solutions, including dry van, refrigerated, logistics and intermodal options, provide flexibility to meet market demands.

REGULATORY EXPERTISE & PAPERWORK SUPPORT

- Our team navigates complex cross-border regulations, ensuring full compliance and preventing costly delays.
- We manage essential paperwork, including customs clearance and trade documentation, to streamline your shipping process.
- Our C-TPAT certification enhances supply chain security, minimizing border transit times and potential delays.

COMMITMENT TO SAFETY & COMPLIANCE

- Our fleet includes the latest technology and equipment investments to enhance driver and freight safety.
- Dedicated cross-border driver teams undergo specialized training in border security and compliance.
- Advanced security protocols include seal verification, real-time tracking and load monitoring.

STRATEGIC FACILITIES FOR GREATER EFFICIENCY

- **Laredo Terminal:** Home to our cutting-edge cross-dock facility, with **17,500 ft²** of operational space and **21 bays** for dry and refrigerated shipments.
- **El Paso and Laredo Terminals:** Key hubs for expedited cross-border freight handling, reducing dwell times and ensuring faster transit.
- **Security-First Approach:** C-TPAT-certified facilities feature advanced camera surveillance, industrial lighting and razor ribbon chain-link fencing for maximum cargo protection.
- Werner crosses at **all major U.S.-Mexico border points** from Brownsville, TX to San Diego, CA, ensuring seamless freight movement.
- **Offices in Mexico:** With four offices strategically located in Mexico we regionally serve customers on both side of the border.

WHY CHOOSE WERNER FOR YOUR MEXICO FREIGHT?

■ INDUSTRY-LEADING CAPABILITIES

- Decades of expertise in handling cross-border complexities, including regulatory compliance and seamless coordination.
- Real-time visibility and tracking ensure transparency and efficiency in your supply chain.

■ COMPREHENSIVE SERVICE SOLUTIONS

- Full-service transportation, from pickup through to final delivery, with advanced tracking and visibility.
- Refrigerated cross-dock bays cater to temperature-sensitive freight, ensuring integrity throughout transit.

■ CUSTOMER-CENTERED APPROACH

- Our consultative approach ensures your unique challenges are addressed with customized multi-modal solutions tailored to your needs.
- Dedicated account managers provide 24/7 customer support for peace of mind and continuous optimization.
