WERNER®

SAFETY

Experience the **Power** of **Safety** with **Werner®**

At Werner, safety isn't just a commitment—it's the foundation of everything we do. We empower our customers, carriers, professional drivers and associates by prioritizing safety at every level of our operations. Through extensive training programs, advanced safety technology and robust cybersecurity measures, our **Power Team** ensures your business thrives with confidence and security.

CUTTING-EDGE SAFETY TECHNOLOGY:

Our investments in advanced safety solutions enhance driver awareness and reduce risk:

- **COLLISION MITIGATION & ADAPTIVE CRUISE CONTROL:** Supporting safer driving and reducing potential hazards.
- **FORWARD-FACING CAMERAS & CRITICAL EVENT REPORTING:** Providing real-time monitoring for improved coaching and accident prevention.
- **ADVANCED NAVIGATION SYSTEMS:** Enhancing route planning and situational awareness.
- **BACKING AND SIDE VIEW CAMERAS & BLIND SPOT DETECTION:** Increasing driver visibility and reducing incidents.
- **PILOT EVALUATIONS OF NEXT-GEN SAFETY TECHNOLOGIES:** Leading innovation in fleet safety.

COMMITTED TO CYBERSECURITY AND DATA PROTECTION

Werner prioritizes cybersecurity as a critical component of our safety strategy, adhering to the **NIST Cybersecurity Framework** to protect sensitive data and defend against evolving threats:

ADVANCED SECURITY INFRASTRUCTURE:

Investing in modern tools to safeguard information.

CONTINUOUS MONITORING & RISK MANAGEMENT:

Proactively identifying and mitigating risks in real time.

CYBERSECURITY AWARENESS:

Regular simulations to keep associates prepared for potential threats.

REGULATORY EXCELLENCE & COMPLIANCE:

We uphold the highest compliance standards to ensure safety and adherence to federal regulations:

- **CDL STATUS MONITORING:** Ensuring all professional drivers meet licensing requirements.
- **COMPLIANCE, SAFETY & ACCOUNTABILITY:** Continuously tracked, strategically enhanced and safety-driven.
- **DUAL-LAYER DRUG SCREENING:** Hair and urine testing for enhanced driver fitness.
- **24/7 HOURS OF SERVICE AUDITING:** Continuous monitoring to prevent fatigue-related risks.
- **SLEEP APNEA SCREENING & TREATMENT:** Supporting driver well-being for safer roads.
- **CUSTOMS-TRADE PARTNERSHIP AGAINST TERRORISM (CTPAT):** Validated carrier for enhanced security.

COMPREHENSIVE TRAINING & SAFETY AWARENESS:

Safety is at the core of Werner's culture, reinforced through ongoing skills enhancement, communication and real-time resources. The **Werner Welcome Experience** sets the foundation with a 4–5 day introduction to the industry, while our performance based **Career Track Program** and **Leader Development Courses** provide continuous growth opportunities.

Professional drivers stay sharp with **account-specific training, recurring simulated scenarios** and frequent safety updates, along with access to resources via the **Driver Portal** and **Drive Werner Pro App**. Werner also supports **national safety initiatives** like CVSA Road Check and Operation Safe Driver week, while recognizing long-term safety excellence through **Safe Driving Recognition Programs**.

HOW THIS BENEFITS YOU

With Werner, you get the benefit of safer, more efficient solutions. Our commitment to technology-driven efficiency and cutting-edge safety ensures your shipments are secure, reliable and on time. Gain peace of mind knowing your shipments are in the safest hands. Our dedication to safety, cybersecurity and innovation makes Werner your **Powerhouse** for all transportation and logistics needs.
