TEMPERATURE-
CONTROLLED

Your Power Cold-Chain Experts

When it comes to transporting your most time-sensitive, perishable items, entrust your needs to the cold-chain experts at **Werner**®. We understand the complexities of moving temperature- and time-sensitive truckloads with specific requirements. With a **Power Team** of professionals well-versed in all facets of produce logistics, perishable trading, brand management and export services, we are equipped to tackle your challenges and enhance your supply chain—because your success is our power.

KEY ADVANTAGES OF WERNER'S TEMPERATURE-CONTROLLED SOLUTIONS

TEMPERATURE-CONTROLLED

INDUSTRY-LEADING TEMPERATURE CONTROL

- **Cutting-edge technology** and **robust tracking systems** ensure your goods maintain optimal temperatures throughout their journey.
- Fleet of refrigerated equipment for the seamless transportation of produce, proteins, refrigerated and frozen products across North America.
- As one of the leading cross-border carriers between the U.S. and Mexico, we provide dependable service, with a multi-temp cross-dock facility in Laredo, TX.
- Protect from Freeze (PFF) solutions available from October through April for shipments requiring freeze protection.
- We provide surge, holiday and overflow coverage to meet peak demands, ensuring your business is always prepared for growth.

COMPREHENSIVE TEMPERATURE-CONTROLLED SERVICES

- Efficient arrangement of produce transportation.
- Just-in-time delivery solutions, keeping your supply chain running smoothly and efficiently.
- Streamlined seasonal ordering patterns for hassle-free logistics.
- Direct Store Delivery (DSD) for ultimate convenience, giving you the power to manage your inventory with ease.
- Flexible multi-pick and multi-drop options for maximum efficiency.
- Tailored long-term and short-term contracts designed to meet your needs, with the flexibility to adapt as your business evolves.

WHY CHOOSE WERNER FOR YOUR TEMPERATURE-CONTROLLED NEEDS?

■ PROVEN EXPERTISE & OPERATIONAL EXCELLENCE

With decades of experience in cold-chain logistics, Werner gives you the power of operational excellence, ensuring your time-sensitive products are delivered with the utmost care and precision.

■ CROSS-BORDER LEADERSHIP

We are the trusted partner for your cross-border transportation, empowering your business to expand beyond borders with our reliable, temperature-controlled solutions.

■ CUSTOMER-CENTRIC APPROACH

With temperature-controlled teams in the U.S. and Mexico, our consultative approach ensures your specific challenges are met with customized solutions designed to enhance your operations and drive long-term success—putting your power at the center of everything we do.
