INTERMODAL

Your Power Source.

UNLOCK THE BENEFITS OF INTERMODAL

At **Werner**®, our multi-modal solutions offer flexible, cost-efficient and sustainable options for our customers and seamless **intermodal shipping** is a key piece to the puzzle. With a vast intermodal network, real-time shipment visibility and a commitment to service excellence, we help businesses navigate today's complex transportation and logistics landscape with confidence.

KEY ADVANTAGES OF WERNER INTERMODAL

INTERMODAL

EXTENSIVE CAPACITY & STRATEGIC RAIL PARTNERSHIPS

- Access our new/growing fleet of more than 600 private assets, supported by a network of more than 88,000 rail-owned containers and more than 23,000 van trailers to ensure seamless freight movement.
- Strong partnerships with UP, BNSF, NS, CSX, FEC, CN, CPKC and FEX railroads and more than 400 drayage providers across North America.

COST SAVINGS & EFFICIENCY

- Reduce truckload network strain by using intermodal capacity for cost-effective, reliable transportation.
- Choose from a variety of intermodal solutions, including 53' COFC/TOFC and 40' COFC, tailored to your shipping needs.

SUSTAINABILITY LEADERSHIP

- Cut CO₂ emissions by up to 65% compared to truckload shipping, supporting your sustainability goals.
- Committed to reducing environmental impact through investments in alternative energy solutions.

CROSS-BORDER EXPERTISE

- More than 25 years of trusted experience in Mexico and Canada intermodal shipping.
- Seamless cross-border options, including Mexico direct, border direct, and transload solutions.
- Bilingual customer service and sales support for smooth communication and execution.

ADVANCED TECHNOLOGY & VISIBILITY

- Real-time tracking and shipment visibility through a state-of-the-art TMS platform.
- GPS tracking, cargo sensors and in-container cameras enhance security and optimize freight movement.

WHY CHOOSE WERNER INTERMODAL?

- Reliable, nationwide network with asset-based and third-party drayage solutions across the U.S., Mexico and Canada.
- Comprehensive, end-to-end service from warehouse pickup to final delivery, handling every aspect of your intermodal freight needs.
- Flexible supply chain solutions with custom intermodal strategies that balance cost, speed and sustainability.
- Customer-focused approach with dedicated regional teams providing market expertise and strategic logistics support.
- Proven experience and trust, backed by decades of success and relied upon by industry leaders for intermodal shipping.
